

Assignment 4
Assigned: Tuesday, October 9, 2018
Due: Tuesday, October 23, 2018

Complete the following activities.

- 1 pt.** 1. Create a folder named **YOURLASTNAME_YOURFIRSTNAME_CSCI3040_A04**, where YOURLASTNAME is your last name and YOURFIRSTNAME is your first name.
- 1 pt.** 2. Login to Moodle and download the file XHTML_template.html. Rename the file XHTML_template.html as **YOURLASTNAME_YOURFIRSTNAME_A4_resume.html**. Move this file into the folder you created in activity #1.
3. Download the file XHTML_template.html at six (6) more times. Move these files into the folder you created in activity #1. The names of these files are listed below. You will create at least one hyperlink in the file **YOURLASTNAME_YOURFIRSTNAME_A4_resume.html** to each the html files listed below.
- 1 pt.** a. **YOURLASTNAME_YOURFIRSTNAME_A4_contact.html**
- Your contact information, including professional image, name, address, phone number and email address will be placed in this file.
- 1 pt.** b. **YOURLASTNAME_YOURFIRSTNAME_A4_objective.html**
- Your employment objective will be placed in this file.
- 1 pt.** c. **YOURLASTNAME_YOURFIRSTNAME_A4_employ.html**
- Your work experience, including (for each job) time period, employer name, city, state, job title, and accomplishments or specific experience gained in that job will be placed in this file. The employer name should be a link to that employer's website, if one exists.
- 1 pt.** d. **YOURLASTNAME_YOURFIRSTNAME_A4_education.html**
- Your education, including (for each school) time period, school name, city, state, and honors awarded at that school (with degree and major if applicable on the first line) will be placed in a file in this file. The school name should be a link to that school's website, if one exists.
- 1 pt.** e. **YOURLASTNAME_YOURFIRSTNAME_A4_skills.html**

Your skills; computer and/or others will be placed in this file.

1 pt. f. **YOURLASTNAME_YOURFIRSTNAME_A4_interests.html**

Your interests outside of school and work will be placed in this file.

1 pt. 4. Use the W3C Validator to ensure that your XHTML documents are valid.

2 pt. 5. Display and print each of your HTML files. Give the printed copies to your instructor in-class on the specified due date and time.

4 pt. 6. All formatting must be completed using Cascading Style Sheets.

7. Using your favorite compression program (e.g. RAR, ZIP, etc.), create a compressed archive of the folder **YOURLASTNAME_YOURFIRSTNAME_CSCI3040_A04**.

8. Login to Moodle and submit the file **YOURLASTNAME_YOURFIRSTNAME_CSCI3040_A04.XXX** before the specified due date and time. Note that XXX is the file extension generated by the compression program you used in activity #7.

If you have questions concerning this homework assignment, please ask your instructor for help. You may discuss the homework assignment with your classmates. However, the homework assignment you complete and turn in, for a grade, **must be your own work**.
